Ballasts - Place in container and close top.

Mercury Items-Including: thermometers, thermostats etc. Place in container and close top.

New Can and Bottle Recycling

Empty Aerosol Containers

Discard lids in trash. Do not puncture, pierce, flatten or remove nozzles. Please place empty aerosol containers from the following categories with your recycling:

- Health and beauty aids: sun block, hairspray, hair mousse, shaving cream and deodorants
- Laundry spray
- Food containers: frostings, cooking spray, whipped cream, processed cheeses
- Air Fresheners

We can’t take any other type of aerosol container. Empty aerosols that once contained hazardous material are not accepted. These include, but are not limited to: spray paint, pesticides, cleaning products, craft products, adhesives, automotive sprays, waterproofing sprays, WD-40 and other lubricants. These empty aerosols should be disposed with your solid waste. If full or partially full, they need to be disposed at a Household hazardous waste collection.
